## MSC Allowed 4 Nominations for Danforth Grants

For those who are interested in college teaching as a career, the Danforth Foundation grants financial awards. Juniors, especially, who plan to study for a Ph. D. in a field common to the undergraduate study, should now be considering this program.

The Danforth Graduate Fellowship program was established in 1951 with the aim of giving personal encouragement and financial support to selected college seniors and recent graduates who seek to become college teachers.

The award is for one year and is normally renewable for a total of four academic years of graduate study. Current annual limits are: Single, \$1800; married, \$2200, plus dependency allowances for children; and required tuition and fees.

All applicants may be single or married, must be less than thirty years of age at the time of application, and may not have undertaken any graduate or professional study beyond the baccalaureate. These Fellowships are open to persons of any creed, race, or citizenship. Candidates should be reasonably certain that they desire a career in college teaching and will enter an accredited U. S. graduate school in the fall of 1965.

Special attention is given to these areas in considering candidates for Fellowships: 1. Evidence of intellectual power and academic achievement, which is a thorough foundation for graduate study. 2. Evidence of personal characteristics which are likely to contribute to effective teaching and to constructive relationships with students.

Liaison Officers, appointed by the President of each accredited college, have the sole right to nominate between two and five qualified persons (depending on undergraduate enrollment) for their institutions. MSC is allowed four nominations. The MSC Liaison Officer is Mr. James R. Saucerman. He can be found for further information, at CH 115.

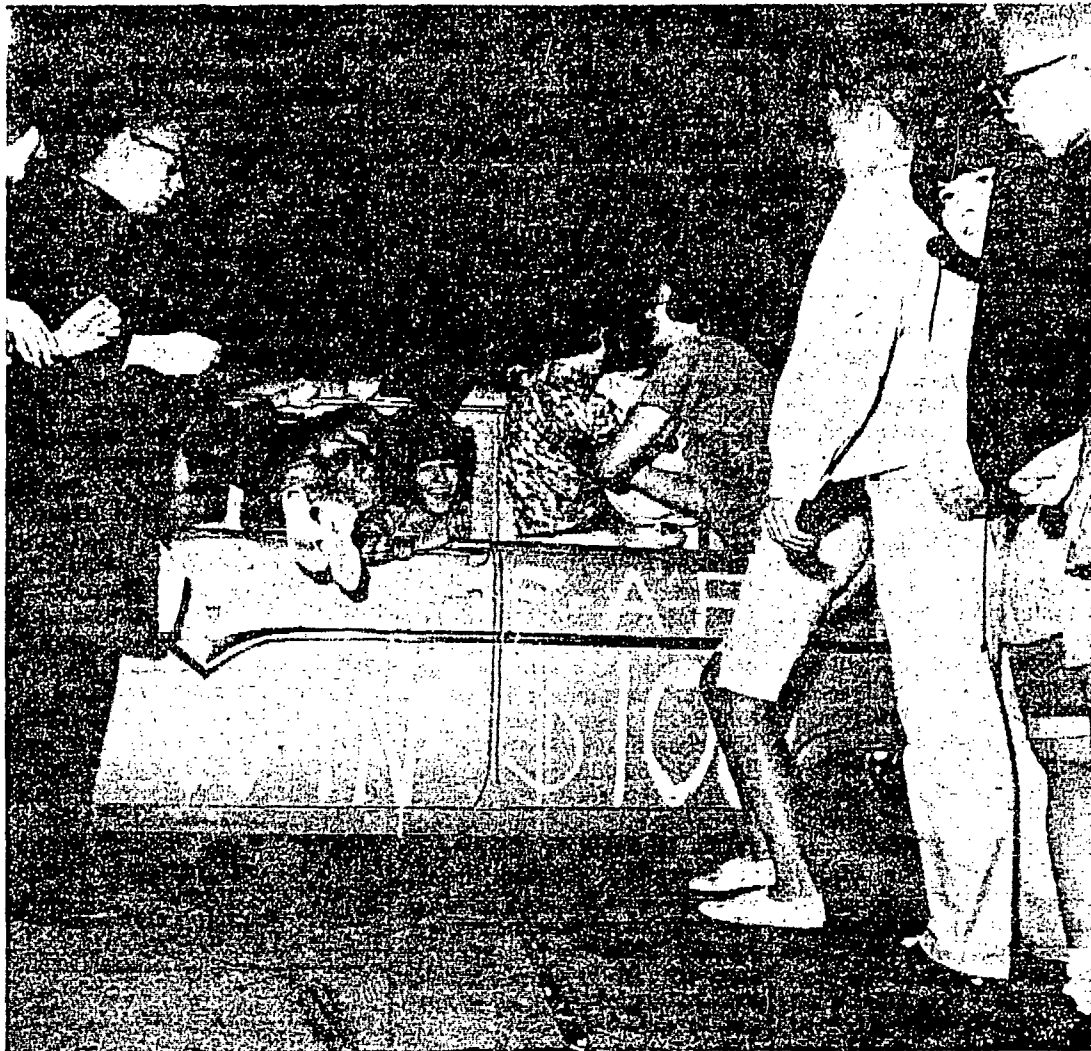

## AG CLUB SHOW

On Saturday, Nov. 14, the Agriculture Club will sponsor a livestock show. 4-H and F.F.A. clubs plus members from other colleges are invited to attend.

The M. F. A., Maryville Chamber of Commerce, and the Nodaway Valley Bank are supplying the trophies and medals for winners of the different categories.

Judges are from the St. Joseph Livestock Market.

Dwan T. Wick, a 1952 graduate of MSC received a master's degree from East Texas State College this summer. Wick is an electrical engineer at the Wintemute Memorial Hospital, Klondike, Tex.

Thirty-seven Hudson Hall girls won Maryville's first official car stuffing contest held in the town square last Tuesday at 3:30 as publicity for the Ford Caravan of Music. Breaking the national record

of 33, the Hudson Hall girls stuffed 37 in a 1955 Ford winning the car plus \$100. Second place went to the Mount Alverno girls with 36. Wesley took third with 34.

The Ford Motor Company, Sam Ingel's Ford, and the

Union Board sponsored the contest in conjunction with the Ford Caravan of Music. If Hudson Hall's record of 37 isn't broken by the end of the Caravan's tour, the girls will win an additional \$300 and be used as publicity media by Ford.

## Cross Country Team Compete for MIAA Title

Coach Ryland Munner's Bearcat cross-country team will compete for the MIAA conference title Saturday in Rolla.

Kirkville is rated the premeet favorite with Warrensburg and Springfield as the head contenders. Forty-two runners will scramble over the 3.8 mile course.

Allan Jensen, senior letterman, will be the top Maryville threat. He will be backed up by monogram winner Bruce Falk and freshmen Fred Arbanella, Kent Kavanaugh and Gary Castle. Completing the MSC squad will be John Swenson and Pete Meindertsma. The 'Cats sport a 3-4 record, with victories over William Jewell and Tarkio twice.

Cross country racing, a conference sport for over 10 years, is scored by adding place finishings, with the lowest score winning. A team is allowed five places plus two more men running as pushers.

Races are run over courses between 2.8 and five miles long. The MSC harriers train on the Country Club Golf course. In actual races runners wear indoor track shoes or go barefoot.

## 'The Crucible' To Be Nov. 19-20

Arthur Miller's play, "The Crucible," which is to be presented in the main auditorium of the Administration building, Nov. 19 and 20, is the shocking story of the persecution of the people accused of witchcraft in Salem, Massachusetts, in 1692. Though this play has been changed to resemble our present day political investigations, it is still an accurate portrait of the terror and ferocity with which a few God-fearing Americans accused one another of dealings with the devil.

Although in these modern times we feel that a thing like this could never happen, the bare truth is that there was a witchcraft trial, and 19 people were hanged in Salem for being witches. In 1692, after 70 years of religious and civil omnipotence in the Massachusetts colony, the Puritan theocracy was breaking up. And the nearer the theocracy came to its end, the more desperately it insisted on conformity. This desperate attempt to conform created a mood which was fanatical. This mood set off the explosion in which 19 people were killed. These people were innocent. Five years after the trials the jurors who con-

## FINE ARTS BUILDING SLOWED BY WEATHER

Inclement weather may be a major factor in the construction of the new Fine Arts Building being erected by the Glaze Construction Company of St. Joseph, just south of the tennis courts.

Superintendent of construction Curt Fobair has estimated that the circular building, contracted for \$1,250,000, has reached 35% of completion. Rainy weather has caused a two-week fall-behind in work; but Mr. Fobair still hopes to have this newest addition to our campus finished by the first of September, 1965: two months ahead of the total time allowed.

The framework of the three-floor building has been completed and workmen are laying cement and bricks around the bottom floor. A major feature of the construction will be a centrally located auditorium which will extend to the ceiling.

Hoecker of St. Joseph is the electrical contractor, and Midwest of Kansas City will handle the machine contracting.

demned these people confessed to the public that they had been deceived by a handful of small children. No confession can restore a life!

## Cardinal Key Initiates 4 Girls

Four new members were tapped for Cardinal Key National Honor Sorority at the Homecoming dance, Saturday night, Oct. 31. Those girls tapped and initiated on Nov. 2 are: Shirley Moore, a junior from Spencer, Iowa; Jane Shaver, a senior from Plattsburg, Missouri; Jane Stoner, a senior from Logan, Iowa; and Nancy Timberlake, a senior from Bedford, Iowa. Miss Karen Licklider, dean of women, was also initiated at the Nov. 2 ceremony. She will serve as co-sponsor with Miss Carolyn Peterson.

The Cardinal Key chapter at MSC became national on December 14, 1963. It is a relatively new organization; and in order to be a member, girls must be classified as either juniors or seniors, display leadership abilities, show interest in the welfare of the campus community, and maintain high scholastic achievement.

Cardinal Key is first of all an honor sorority and secondly a service sorority. As an organization, Cardinal Key strives to find conditions on campus that could be improved and takes necessary steps. Cardinal Key and Blue Key members work as class registration assistants.

## Art Dept. Member Awarded Prize

Mr. James Hinkhouse of the Art Department Staff was recently awarded a \$300. prize for a sculpture composition "Wing Builders" in a sculpture composition sponsored by Greater Downtown Wichita Inc. This event was to produce designs toward an actual commissioning for a work to beautify the downtown area of the city. First prize of \$500. went to Bernard Frazier, artist in residence at Kansas University, Lawrence, Kansas.

Mr. Hinkhouse also recently had two pieces of sculpture and two pieces of jewelry accepted in the Annual Kansas Designer Craftman Show, Lawrence, Kan. He also had three pieces of sculpture accepted in this year's "Annual Springfield Art Exhibition," Springfield, Mo.

## Winner of Door Decoration In Perrin Hall

A silver dollar was presented for the most impressively decorated door in Perrin Hall, according to publicity chairman Sharon Laumann. Homecoming presented the purpose for door decorations.

The doors were judged Friday, Oct. 30. The prize of a silver dollar was presented to Linda Knudson and Laura Lowther in room 426. The door decoration portrayed the comic strip character "Peanuts."

## THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

## BOOK CLUB

## REVIEWS FLEMMING

Ian Fleming's last novel *You Only Live Twice* was reviewed by Mary Kay Kuhn, president of the Book Club, at the first meeting. At the next meeting, November 18, Mike Knepper will review *The Tin Drum* by Gunther.

Officers were also elected by the group to serve for the coming year. Miss Kuhn was elected president last spring. Vice president is Diane Brown; Charlotte DeSoma was elected secretary and treasurer.

The Book Club is the English departmental club and all English majors and minors are invited to become members. Dr. Frank Grube, sponsor of the organization, commented that there are about 170 English majors and minors at MSC, and so the membership should be much larger than it is. Membership is also extended to any student who is interested in keeping up with current books.

The group meets on the third Wednesday of every month in the Gold Room of the J. W. Jones Student Union; dues are 25c a semester.

## Corps Exam Set

Peace Corps examination will be given promptly at 8 o'clock Sat. morning, Nov. 21, in the Dean of Students office. Any student wishing to take the test must have completed a questionnaire prior to this date. A copy of the questionnaire may be picked up at the Dean of Students office. The questionnaire may be sent to the Washington, D. C. office or brought to the examination. This is not a test of scholarship. It is merely a survey to find out in what field or area each student would be qualified to work.

Anyone 18 years of age or older with no dependents is eligible to take the exam. Married students are eligible if both are willing to work in the Peace Corps.

For any further information about the Peace Corps or the examination, please contact the Dean of Students office.

## Pi Omega Pi Tour

On Thursday, Nov. 5, Pi Omega Pi, a national honor society for business majors, took an all-day trip to St. Joseph. Mrs. Carole Zahnd, business instructor, accompanied the group of 12, which traveled in cars.

One of their stops included the Whitaker Cable Corporation, where they toured the plant and business office. Also the group visited the Pearl Brewery plant.

Two different types of tours were taken at the State Hospital. The students were able to view the business facilities and also the actual hospital wards.

## Scholarship Plaque In Martindale Gym

A Scholarship Plaque has been placed in the lounge of Martindale Gymnasium. It is hoped that the plaque will promote scholarship of women physical education majors.

Every year the name of the highest ranking student in each class will be placed on the plaque.

For the 1963-64 school year the senior with the highest grade point average was Rhodetta Mardensen of Exira, Iowa with an average of 3.37. The others were Junior, Jane Stoner of Hogan, Iowa, 3.09; sophomore, Rosalie Guyer of St. Joseph, 3.06; and freshman, Gano Whetstone of Casey, Iowa, 3.48.

## Kirks Clinch MIAA Tie; Win Over Southwest

The Kirksville State Bulldogs parlayed a clutch defense and the signal-calling of quarterback Paul Comer into a 14-0 victory over visiting Springfield State Saturday and clinched at least a tie for the MIAA football championship.

After a scoreless first period, Kirksville State took over on the Springfield State 19-yard line after recovering a fumble on a muffed fair catch attempt.

Walt Olinger picked up a first down on a fourth down run to the 6-yard line and then carried over from the 1. Comer threw to Larry Rue for the 2-point play.

In the third quarter Kirksville wound up the scoring when Comer connected with Willie Jones along the left sidelines on a pass play that covered 62 yards. A run for the points failed.

Springfield got to the Kirksville 29-yard line in the first

half before being thrown back. In the second half Dave Grant, Kirksville's Little All-America tackle, threw quarterback Dan Young for a 17-yard loss. Young the MIAA's leading passer, suffered a shoulder injury that may sideline him for the season on the play.

With one MIAA game to go, Kirksville is 4-0. Cape Girardeau's victory over Maryville leaves them 3-1 in the conference.

## National Defense Student Loan Program

The National Defense Student Loan Program originated under the National Defense Education Act of 1958. It was designed for the purpose of insuring trained manpower to meet the national defense needs of the United States. Congress appropriates funds for this particular loan program, and a participating college contributes one-ninth of the amount contributed by the Federal Government.

The eligibility requirements must be maintained. A borrower must be a full-time undergraduate or graduate student. The student must be in need of the loan to pursue his education. The student must also maintain a good standing in his chosen courses of study. Special consideration is given to those students with a superior academic background who desire to teach in elementary or secondary schools. Special consideration is also given to students whose academic background indicates a superior capacity in science, mathematics, engineering, or a modern foreign language.

The terms of the loan are that the student may not borrow more than \$1,000 a year after the borrower ceases to be a full-time student and is to be paid within 10 years. No interest is charged until the beginning of the repayment period. Thereafter, the interest rate is three per cent per year. In the event of the borrower's death or permanent disability, the loan is canceled.

This is only one of the four types of loans which MSC offers to its students. Anyone desiring more information on the college loan program is urged to see Mr. Bill Needles, chairman of student loans.

## Miners Down Mules; For First MIAA Win

The Rolla Miners scored their first victory of the 1964 season Saturday, blanking the visiting Warrensburg Mules in an MIAA contest, 14-0.

After three quarters of scoreless football, Ronnie Lewis passed 20 yards to George Gastarovic for a touchdown. The Miners had moved from their own 33 to the Warrensburg 20.

## Wells Library Stocks Shelves

Take a break from your mid-terms and pick up a new book and relax for a few hours. Wells library now has many new books on the shelves and ready to be checked out. Also they have been receiving many favorite copies which can now be obtained.

Some American fiction books available are: "A Case of Libel, A Play in Three Acts," Armstrong's "Catch-as-Catch-Can," Buck's "Living Reed," Grau's "The Keepers of the House," Heinlein's "Glory Road," McBain's "Ten Plus One," Sherman's "Murder's Litter Helper," Vaughn's "Sorry I Stirred It," and Dolson's "Guess Whose Hair I'm Wearing."

Fiction works other than American include Stewart's "Eight Modern Writers," Abro's "Assassination," Bush's "Case of Dead Man Gone," LaCarre's "The Spy Who Came In From the Cold," Anouilh's "The Rehearsal," Cranston's "Sartre," Di Lampedusa's "Two Stories and a Memory," and Nabokov's "The Gift."

Books in other sections of the stacks can be just as interesting. Here are a few examples: Ian Fleming's "Thrilling Cities," Cedric Belfrage's "Away from It All," Steve Allen's "Mark It and Strike It," Sterling Hayden's "Wanderer," Tregaskis' "Vietnam Diary," Johnson's "The Bay of Pigs," La Prade's "Broad-

casting Music," Colby's "American Culture in the Sixties," Hawken's "Full-Size Photocopying," Schmutzler's "Art Nouveau," McCart's "Trial by Jury," Lewis' "Gideon's Trumpet," and "The Small Group" by Olmsted.

## Student Wives

"The Jay Cees in the Community and the Role of the Young Wife in the Community" was the topic of Mrs. Gweldon Long at the November meeting of the Student Wives. Mrs. Long is a member of the local Jay Cees and and instructor of Modern Dance at MSC.

The major part of the business meeting was devoted to discussion concerning membership and attendance. A membership drive was initiated; pairs and individuals will contact girls who are eligible for membership and encourage them to join.

Mrs. Gloria West, president, indicated that all girls are eligible whose husbands are students, as well as girls who are married and attending school. She noted that the next regular meeting will be Dec. 1 at 7:30 in the Rose Room of the Union. At that time final plans for a family Christmas party will be announced.

## Faculty Briefs

James Hinkhouse, a new instructor in the fine arts department, has been awarded second prize in sculpture competition sponsored by Greater Downtown Wichita, Inc.

The purpose of the competition was to select a piece of sculpture to be erected in the downtown area of Wichita, Kas. Hinkhouse's award of \$300 was for his design entitled "Wing Builders." The first place and commission for the piece went to Bernard Frazier of the University of Kansas.

Hinkhouse is also represented in the annual Kansas Designer-Craftsman Show held each year at the University of Kansas. In this show he has two pieces of sculpture and two pieces of jewelry. Three pieces of his sculpture are in the Annual Springfield, Mo., Art Exhibition.

In his first year at MSC, Hinkhouse teaches sculpture, ceramics and silver-smithing. Prior to his move to Maryville, he taught at Robinson Junior High and Wichita Heights High in Wichita, Kas.; and at Denison Elementary School, Cleveland, O. He has spent one year in assistantship in sculpture area of the design department of Kansas University.

Hinkhouse received his B. S. and M. S. in art education from Fort Hays Kansas State College and is presently finishing final thesis work toward an M. F. A. in sculpture from K. U.

Dr. Harlan Higginbotham, Dr. Ed Farquhar, Dr. Sam Carpenter and Myrl Long, members of the chemistry department, attended the Kansas City Section meeting of the American Chemical Society Wednesday evening at the University of Missouri at Kansas City.

Luther Belcher, business manager, left Sunday to attend his second West Coast Workshop in College Business Management at Lake Arrowhead, Calif.

The conference, being held in cooperation with the Western Assn. of College and University Business Officers, will continue through Friday. Courses offered second conferees include general administrative problems, purchasing philosophy, public relations techniques and accounting concepts in college and university institutions.

The meeting is held at the

University of California Residential Conference Center.

Dr. Joseph Dreps, chairman of the foreign language department, will represent MSC at the annual Missouri State Teachers fall convention to be held Nov. 6, in Kansas City, Mo.

Dr. Dreps will speak on the subject of foreign language in the elementary level. He is hoping to point out the importance of foreign language as a means of bringing before children the realization of other countries by revealing their point of views, philosophies of life, and world outlooks. Dr. Dreps believes that in order to assure more definite world understanding and sympathy of all nations to one another, it is necessary to know their language.

Dr. Robert Foster, president, was given a special citation by the Missouri Association of Collegiate Registrars and Admissions Officers during their meeting on the MSC campus.

Dr. Foster served as secretary-treasurer of the Association in 1950-51, and 1951-52, and as president in 1952-53. He has also been active in the American Association of Collegiate Registrars and Admissions Officers, serving on various committees during the past 16 years.

The citation read: "In recognition and appreciation of his devotion to the organization, Dr. R. P. Foster is hereby presented a life membership in the Missouri Association of Collegiate Registrars and Admissions Officers."

Three members of the English department are listed in the Directory of American Scholars, 1964 edition. Dr.

Frank Grube, chairman of the department and of the Division of Language and Literature, Dr. Charles Rivers, associate professor, and Donald F. Peel, assistant professor are included in Volume II of the series of directories.

Grube has been at MSC since 1947. His Ph.D. is from the State University of Iowa. Rivers joined the faculty in 1956. His Ph. D. is from the University of Southern California.

Peel came to MSC in 1957. He has just returned from a years study at the University of Denver. He is working on his dissertation for the Ph. D.

### Grads in Print

Dr. Dean Wintermute, a 1953 graduate of MSC has been granted a patent for a new and improved x-ray device for use on the human body. The invention decreases the amount of radiation to which a patient is exposed during fluoroscopic examinations.

Dr. Wintermute was also elected to membership in the American Academy of Osteopathic Surgeons in Mexico City, Mexico, this summer.

Margaret Baker Melton recently appeared in a program at the Lee Avenue High School, Hicksville, Long Island, New York, as the accompanist for "Mitch" Miller, of TV fame. The program was sponsored by the Foreign Language Class as a fund raising project.

Mrs. Melton is a graduate of Maryville High School and Maryville State Teachers College and received the first music scholarship granted by the college to a Maryville High School graduate. She has continuously taught music since her graduation from the college in 1945. She holds a Mas-

NOV. 11, 1964—NORTHWEST MISSOURIAN—PAGE THREE

ter's degree in music education from Columbia University, New York.

Mrs. Melton is the daughter of the late Frank W. Baker and Mrs. Baker and was born and reared in Maryville.

### Debaters Rank High

Four MSC speech and debate students competed in the annual Omaha University Speech Tournament held recently in Omaha, Neb.

John Robertson and Ethelee Osborn won three of four rounds of debate, ranked high in discussion. Miss Osborn was a finalist in women's extemporaneous speaking. Ron Walter and David Wasserfallen entered the debate and extemporaneous speaking divisions.

Larry D. Hafmann, a 1964 graduate of MSC, has joined the management development program at Harris Trust and Savings Bank, Chicago. He is

also a graduate of Ellsworth Junior College, Iowa Falls, Ia., and a member of Phi Beta Alpha business fraternity.

Miss Joan Reynolds, Kansas City, spoke to the freshman home economics majors of MSC this week on "Careers for the Home Economics Major."

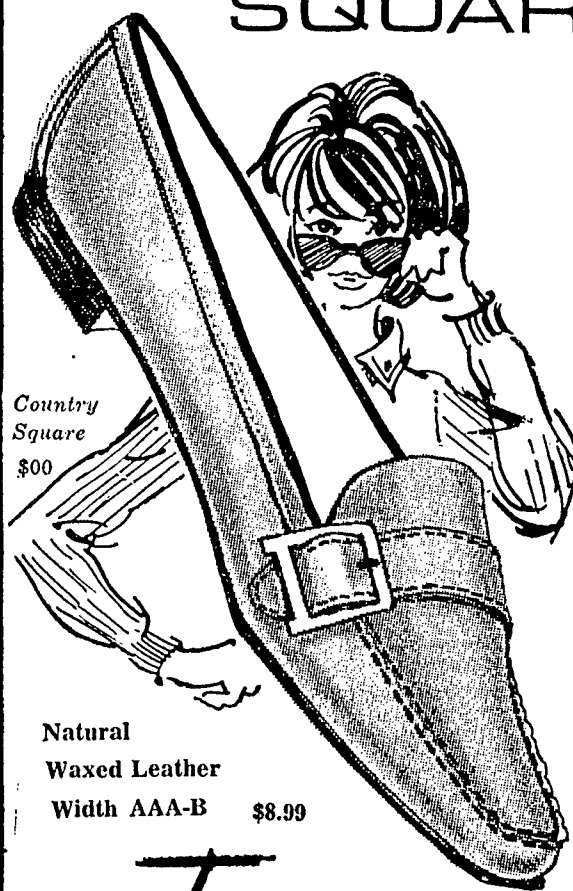

Miss Reynolds, of the Kansas City Dairy Council, showed slides of the home economist at work. She was presented a corsage from the group by Linda Van Fosson, MSC home economics major.

### Deadline for National Defense Loan Application

Mr. Bill Needles, chairman of student loans, has announced that any student seeking a National Defense Loan for the second semester must fill out an application form by December 1. Application forms may be obtained from the student loan office.

## Cape Trounces 'Cats, 35-6; MSC Drops Out of Title Picture; Must Face Bears

Cape Girardeau's Indians erased all hope for a Bearcat MIAA championship by turning back Coach Ivan Schottel's crew, 35-6 Saturday afternoon on Rickenbrode Field.

The defeat was the second straight for the 'Cats, who now own a 6-2 overall record and a 2-2 slate in conference play. MSC has one remaining game to be played, that with Southwest State in Springfield.

Quarterback Irvin Whitehead was a jack-of-all-trades for Cape, passing for three touchdowns, kicking five conversions, and running for one TD himself. Whitehead opened the Indian scoring midway through the initial quarter, tossing a 23-yard pass to Jim Farrell. Whitehead, also Southeast State's kicking specialist, added the extra point.

Cape Girardeau's second touchdown came on a 30 yard scoring pass from Whitehead to halfback Wayne Stevens. The visitors added two more scoring plays during the last 1:02 of the period.

Fullback Gary Emmenderser plowed in from two yards out after Cape had gained possession on the Maryville 20 yard line. Twenty-three seconds later, the Indians recovered a Bearcat fumble on the MSC 20. On the ensuing play, Whitehead found Vern Hanners open in the end zone for the score. Whitehead booted the conversions again.

Southeast completed its scoring with a touchdown with only 49 seconds to go in the third stanza. Maryville halfback Lonnie Irvin, calling for a fair catch, dropped the ball. Cape recovered on the MSC one. Whitehead plunged in on the first play from scrimmage. Whitehead completed his perfect day in the conversion department by splitting the up-rights for the fifth consecutive time.

Joe Exposito lead the 'Cats to their only touchdown. Exposito crossed the goal line from two yards away, capping a 92-yard sustained drive. The PAT attempt failed.

During the drive for the only Bearcat touchdown, senior Mario Balletti and sophomore Bob Albanese, both halfbacks, turned in key gains to keep the drive going. Balletti raced 27 yards after taking a pitch-out from Exposito to put the ball in Cape territory. Albanese raced 19 yards, giving Maryville the much needed first down.

### Ross Opens Strong

Sophomore speedster Mickey Ross brought the crowd to its feet on the opening kickoff as he raced 60 yards down the sideline to the Indian's 31, where Whitehead brought him down from behind; but Maryville lost possession of the ball on the next play via a pass interception.

Kirksville, 14-0 winner over Springfield, clinched at least a tie for the MIAA crown with the win. Cape is the only team which can gain a tie as the Indians have lost only once. Kirksville downed Cape, 12-3 earlier in the season, although Cape led 3-0 in the fourth quarter before falling to the Kirks.

Patronize the Advertisers

### 'CATS CAN TAKE THIRD PLACE IN MIAA

The faltering MSC Bearcats go on a rugged road trip to tackle the tough Springfield Bears Saturday.

The Bearcats and Bears, both 2-2 in conference action, suffered defeat last week. The 'Cats were mopped by Cape Girardeau 35-6 and Kirksville's rambling Bulldogs defeated the Bears 14-0. In the other conference game, Rolla sent the Warrensburg Mules to the MIAA cellar via a 14-0 defeat.

Coach Orville Pottinger's Bears have offense keyed around All-America candidate Cornelius Perry, the leading scorer in the conference this year. In last year's 49-0 defeat of the Bearcats, all that was seen of Perry was his heels as he gained over 200 yards rushing for a single Bear game record. Also in the backfield with

Mick Ross

A 160-pound sophomore speedster from Maryville High, Mick Ross returned the opening Cape kickoff 60 yards, almost going all the way.

Perry is the speedy fullback Pat Hogan, who also kicks the extra points, and Dennis Scott.

In the line, Coach Pottinger has the big tackle Sam McDowell, guard Eldo Perry, brother of Cornelius, and ends Ron Young and Russ Amerin.

### Intramurals

INTRAMURAL WRESTLING

Training week: Monday thru Friday, Nov. 9, to Nov. 13, 4:00 to 6:00 p. m.

#### NOTICE

All wrestling participants are required to work out in the gym at least five nights. They must be in gym clothes in order to check in at the wrestling room, which is in the basement of Lamkin Gym. If you do not have five work-outs recorded to your name by Monday (11-16-64), you will not be eligible to wrestle.

Recommended work out: 1. Six to 10 laps around the indoor track. 2. Calisthenics, a. jumping jacks, b. toe touches, c. push ups. 3. Practice wrestling moves.

Weight-in: Will be on Monday (11-16-64) as follows: 115 lb. to 147 lb., 4:00 p. m.; 157 lb. to heavy, 5:00 p. m.

Jim Schilling (Ind.), a transfer from St. Joseph Jr. College beat Gary Cain (PCE) for the all-school tennis championship. In the Independent League the top four places in order went to Jim Schilling, Bob Schilling, Jim Crozier and Warlan Griffith. In the Fraternity League the top four places went to

Gary Cain (PSE), Alan Davison (PSE), Terry Guertin (PSE), and Dean Hamond (STG).

INTRAMURAL SWIMMING Independent competition: Tuesday, November 10, 7:00 to 9:00 p. m.

Fraternity competition: Wednesday, November 11, 7:00 to 9:00 p. m.

All school championship swim off: Thursday, November 12, 7:00 to 9:00 p. m.

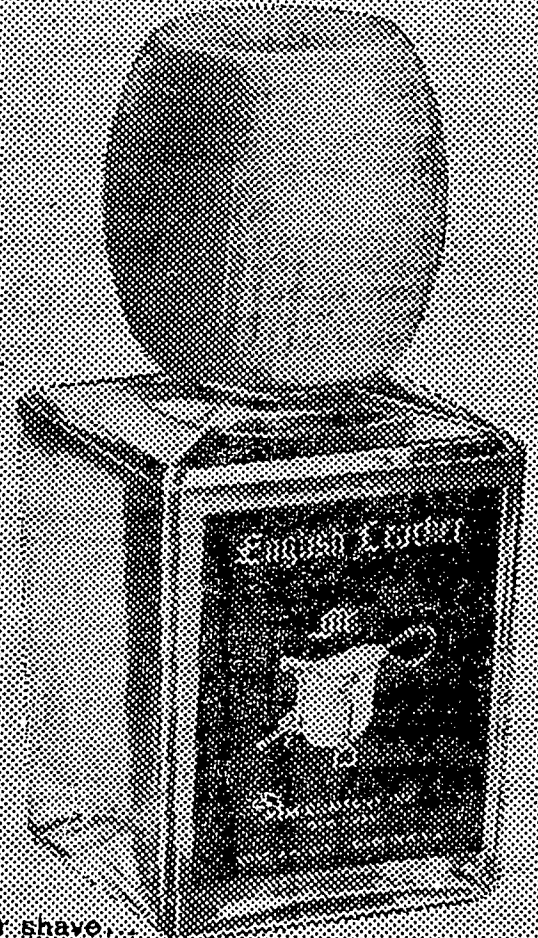

### Women's Intramural Council Meeting

The Women's Intramural Council met Oct. 22 in the Student Union, according to the Intramural sponsor Dr. Kathryn Riddle.

The purpose of this meeting was to award the trophies which were won in the intramurals competition last semester. The winners are: badminton doubles, Celia Thompson and Nancy Evans; badminton singles, Karen Kimbrough; the volleyball competition, PEM Club; basketball, Netwitt team.

The supremacy trophy was won by Delta Zeta Sorority for bowling. If this trophy is won two more times by this organization, it will be kept by them permanently.
